

Stage Craft For C-Level Leaders

Transform Your Leadership Presence

This program increases cross-cultural communication, impact, presentation power and personal stamina on stage. Led by an award-winning artist and stagecoach, the program employs 5D debriefing and speech preparation. Ideal for leaders who need professional support for stage performance, communication mastery and effective presentations. Thanks to the «Leadership Awareness Inventory Set», it helps senior leaders understand their basic measurements of leadership presence and discover their strengths for a better leadership reputation with data.

Unleash Your Professional Power

Evaluate your leadership with leading global metrics, discover your strengths and growth areas in the executive presence, dive deep into your 1*1 coaching sessions. Develop your personal brand and strengthen your influence through body language, voice modulation and effective storytelling. Trust the process to unlock your full professional potential.

Meet Our Global Stagecoach

Meet our senior facilitator Demet Tuncer, known as the voice of Walt Disney, an experienced, award-winning outstanding actress and two-time Turkey Tony Award winner. Demet hosts prestigious global events such as the Davos World Economic Forum and the FIFA World Cup and collaborates with major global brands and leaders as a Senior Performance Coaching and Storytelling Instructor at 41 North Business School.
